

ACT DANCE TEACHER REGISTER

The **ACT Dance Teacher Register** is a new initiative coordinated by Ausdance ACT. The Register contains names, details and qualifications of dance teachers in the ACT and surrounding regions who are available for permanent, casual or relief work. Ausdance ACT may be contacted at any time by a dance company, studio, group or member of the public requesting a list of appropriate teachers*. This service is provided at **NO COST** and the Register is continually updated and maintained throughout the year.

If you would like to include your details on the **ACT Dance Teacher Register** fill in this form and return to Ausdance ACT. **ONLY PROVIDE DETAILS YOU WISH TO BE INCLUDED IN THE REGISTER.**

* Please note that inclusion in the ACT Dance Teacher Register does not imply the recommendation of Ausdance ACT or the Australian Dance Council - Ausdance Inc.
